The entire student population was involved in this project, which involved painting over 1000 tiles, drawing Indigenous symbols on them and gluing them to the bulletin board. Please see our website for full details. Students in 1/2GS wrote a Treaty Land Acknowledgement that is being read weekly before morning announcements. We hope to expand this opportunity to other classes and have one created in French for us to read as well. We currently have 53 registrations for kindergarten for next year and 16 new registrations for students in grades 1-4. We are extremely thankful for the all the precautions that our families are following to keep everyone safe. <p>Upcoming:</p> <ul style="list-style-type: none"> Tomorrow will be the first day that Fort Whyte Alive will be providing on-site field trips for classes. We also have 2 days next week booked so that all classes will be able to enjoy this amazing experience. Thank you, PAC,! Virtual follow-up field trips have been scheduled for June, also thanks to the grant that was provided by the city through PAC.
