

SCHOOL CLOSING AND CANCELLATIONS

The decision to close schools or to dismiss students early in the event of hazardous weather or other emergencies/circumstances that may threaten the safety, health or welfare of students will rest with the Superintendent.

Notification of school closings due to hazardous weather or other emergencies/circumstances will be announced on local radio, television stations and on the Division's website. Similar announcements will also be made if the opening of any or all schools will be delayed or if any schools will be dismissed during the school day due to weather conditions and/or other emergencies.

Each September, schools with Early and Middle Years students shall be responsible to prepare and circulate to parents, guardians and alternate hosts a procedure for the release of students during a school emergency.
