

BUILDINGS/GROUNDS/PROPERTY MANAGEMENT

The Board will maintain school properties in good physical condition and in compliance with Provincial standards. School properties will be as safe, clean, comfortable and convenient as the facilities will permit or the use requires.

The Superintendent will have the general responsibility for the care, custody and safekeeping of all school property and will establish such procedures and employ such means as may be necessary to discharge this responsibility. The Director of Facilities and Operations will have responsibility for the daily management of all school properties and the supervision of a building and management program which adequately and reasonably attends to security and maintenance of the buildings and grounds and matters such as vandalism, traffic and parking.

At the building level, the principal will be responsible for overseeing the school facility and for the proper care of school property by the staff and students.
