French for the Future, in partnership with the French Embassy in Canada, le Salon du livre de l'Outaouais, and Transistor Média, presents the "Lance ton balado!" contest open to teenagers between **12 and 18 years old**.

While addressing the topic **"The impact of a great person, real or fictitious, on your life or on society"**, students in groups of three are invited to create a podcast in the style of their choice to introduce us to a person they admire and that has changed the world, or their world.

Many prizes are to be won: travel to and participate in the Salon du livre de l'Outaouais, podcast post-production with an expert, etc.

As part of this contest, thanks to our partners, teenagers will have the chance to attend **a webinar about creating podcasts**.

The webinar will be available from **November 8**.
