

Safe Return to Community Use of Schools-Pembina Trails School Division

Welcome back! We have created the following to assist community use groups in navigating the safe return of their activities when on Pembina Trails School Division premises.

- All community groups must provide a COVID 19 plan which will need to be uploaded on the e-Base site.
- All community groups must follow current Manitoba Public Health orders and the Provincial Sports Organization Return to Sport guidelines.
- Participants with COVID 19 or flu related symptoms should stay home.
- Each team/program should have their own supply hand sanitizer and wipes for participant and coaching/staff use.
- The two-hour permit slot can only be used by one team. Permits split into two, one-hour time slots is prohibited.
- Changerooms are currently not available, participants should come with prepared with the appropriate clothing for the activity.
- Spectators at indoor sporting events are currently not allowed. Parents must drop off their children and pick them up at the end of the activity. Coaches should establish a drop off and pick up zone for each facility.
- Participants must collect all personal belongings and leave the facility as quickly as possible after the activity ends.
